

Crazy Horny Lady

Angelica is a forty year old, single alcoholic stuck in a soul crushing career. Dealing with her lunatic coworkers, oddball friends, deranged old lady next-door neighbor, and evil, scheming cat, leave her wondering what, if anything, is meaningful and true. Things get complicated when she meets the man of her dreams, who happens to have a hot, single brother. Angelica does her best to navigate the dilemma, all the while surviving the absurdities of a world gone mad.
