

Breakfast at Babs

The gritty tale of a team of Royal Marine Commandos on a special mission in Iraq. A terrorist training cell is preparing child suicide bombers. The story begins with the last training mission at sea with a nuclear submarine, the last party, and the last girl. We follow the almost comical problems that they face to go to war. Once there the team jumps from a helicopter into a black lake at night in an unknown and hostile environment. After laying in wait they find and intercept the terrorists, a fire fight ensues, they are surprised to find the children and the lead character is shot whilst trying to protect them. He watches as he is left behind by his friends, the enemy know hes there and been left for dead, going through various emotions and struggling to stay focused on surviving, finally cornered by his adversary, now outgunned and surrounded Mike has to fight for his life with what is around him, a fight to the death ensues. Will they return safely to celebrate with a Breakfast at Babs
