

The Palm Springs Tales: Book Three: Happily Ever After (Volume 3)

The Palm Springs Tales: Book Three (Happily Ever After) begins less than a year after the climactic events ending Book Two. They continue to affect the residents of Estado Caballeros as they move towards yet more excitement and the end of the Tales. Along the way they are joined by the President; a mafia hit man; a sinister priest and several drag queens vying for the title Queen of the Desert. Beneath Palm Springs sunny holiday veneer there lurk dark forces ready to bubble to the surface at any time with hilarious results.
