Excerpt from History Provençal Poetry: Translated From the French, With Occasional Notes and References to the Authorities Cited or Alluded to in the Volume, Specimens of Verses in the Original, and an Introductory on the Literature of the History of Provençal Poetry. The preparation of the work here offered to the American reader in his vernacular English was undertaken some six years ago, and constituted the occupation, or rather the amusement, of a temporary interruption of my professional existence by the disorderly proceedings of certain parties in the city here. It was a subject, into which some years before I had made some inquiries, in the country itself to which it more especially relates, and in which, during the last forty years, it has been treated with such distinguished ability and success.
