

ON THE LINE: The Rocky Creek Series

Janelle Wagoner kept a lot of secrets for her husband, but the one she tried hardest to protect was her own. She never suspected he knew or that he would choose to reveal it in such a dramatic way. Now that hes gone, leaving behind her and two children, Janelle is left to pick up the pieces and try to put her life back together before its too late. Nathan Harris has only ever loved one woman, despite the fact that she was married to someone else. After learning that she has been hiding something from him, hes faced with a tough decision: With everything at stake, will he walk away from her for good, or will he lay it all on the line to win her back?
