When three women go to a lock and key party to meet sexy singles, they never expect to find their perfect matches in love and in bed! Going to a lock and key party isn't Lauren Masseys idea of a good time. Fine, she can write an article about speed dating in the twenty-first century, but once she has her research, she's heading home alone. Of course, her plans didn't include a hot encounter with sexy Josh McCrea. For the first time Lauren is ready to drop her defenses and her clothes! and let loose! When Josh discovers that his key fits Laurens lock, hes not sure if its a good sign. He doesnt believe you can meet the one at a party, after all. But Lauren is unlike anyone hes ever met shes sexy, smart and knows what she wants. And clearly what she wants is Josh in bed!
