

ORIGINS: THE TOWER SERIES: BOOK ONE

Humanity is in danger, and unaware of a ticking bomb of apocalyptic destruction. Nation has risen against nation; their most powerful weapons waiting for release. Battered by the egregious offences of human-kind, Mother Earth shudders in dismay, seeking to cleanse a rotting stench from land and sea. In a forward thinking thrust of his mind, one man discovers the keys of understanding to the complexities of Earth's existence. One man is willing to risk all that he has to enlighten a world wrapped in darkness, that they may better understand the truth of their existence.
