

My Secret Valentine: Secret Rendezvous

A Valentines collection of secret liaisons...Peter McClellans history with Aaron Whittaker runs deep, and though hed like to leave what happened in the past, his old lover seems intent on keeping their rivalry alive.Peter McClellan is a partner in a Chicago advertising agency. His company is doing well, but if he can land Mirabel Cosmetics Rendezvous Cologne account, he thinks the agency will skyrocket to success.Aaron Whittaker is the last person he expects to see in the Mirabel offices. The two men were college lovers, their relationship irreparably severed when Aaron borrowed an idea from Peter for his senior project.Aarons reactions to Peter are cold and hot - icy when they first become reacquainted, but hot as fire when they reconnect in the bedroom. Can old transgressions be forgiven, or is the past doomed to haunt their possibilities for a future together?
