

Chasing Sin

Every spring, Kate risks her life chasing violent storms. Tired of watching her take unnecessary chances, two of her closest friends offer a different thrill. Devoted lovers Snyder and Tripp don't just share a passion for nature's fury; they long to have the fearless woman between them. Though reluctant, Kate finds the proposition is too irresistible to refuse. Her acceptance leads to an explosive night of no-holds-barred sex for the threesome. However, when morning dawns, she realizes this type of unusual relationship isn't one she belongs in. Despite her best efforts to keep the men at arm's length, Kate is soon facing down the storm of the century with Snyder and Tripp by her side. When Mother Nature intrudes, the trio discovers shelter in each other's arms. With the hurricane raging outside and passion raging inside, everything is at stake. **WARNING:** If you're looking for a calm Sunday drive in the country, put this down and go find Miss Daisy. An adrenaline-packed tornado chase is capped off by two men who like to share and don't mind showing the heroine just how much they want her with sex--lots of it. Shower sex, sweaty sex, gay sex, and menage sex during a vicious hurricane. Hey, crazy weather makes people do crazy things.
