

Sin Eaters: Devotion Book One

Khamun Cross has been assigned an objective that will change his life: to protect Sanna Steele from the dark forces that desire to steal her soul. Khamun is a member of a secret society of Guardian Angels whose battle against The Cursed has been raging for centuries. The Cursed roam the earth to harvest souls for the Dark army, while the Guardian Angels desire to protect The Light. Khamun has been commissioned to watch over Sanna, but in doing so, he also satisfies his secret cravings for the sins of The Cursed. Like a vampire, he feeds off of his enemies. What was now tainted is purified by his touch, and he returns them to The Light. Unbeknownst to Sanna, she is the key to the war, and The Cursed are desperate to have her at all costs. They hunt her, as well as her family and friends, relentlessly. Will Khamun and his team be able to save her from the Dark? Kai Leakes delivers a classic tale of good versus evil in this supernatural thriller.
