

## Crime Scenes (Tales of Mystery & the Supernatural)

Crime Scene is a sparkling collection of short stories written by modern masters and mistresses of the crime fiction genre. Within these pages you will find tales of murder, mystery and mayhem in a great variety of styles and tones from the time-honoured whodunnit to the psychological chiller to the history mystery to the crime procedural to the noir thriller to the gangster epic and the darkly humorous narrative. This volume demonstrates clearly how the crime story has developed and matured over the last two hundred years or so into the exciting, thought-provoking and thoroughly entertaining form of fiction it is today. The impressive cast of contributors includes well-respected and well-established names such as Peter Lovesey, Edward Marston, Natasha Cooper, Judith Cutler and Russell James as well as those currently making their reputation as fine exponents of their craft and a few young lions whose work is bristling with promise. Crime Scene is a treasure chest of delights for the fans of crime fiction.
