

## The Subterranean

Jake Constantine and Gabriel Weaver are superior and subordinate, Special Agents for the FBI's elite Hostage Rescue Operations, stationed out of San Francisco. On the job, they're constantly at loggerheads, Gabriel the negotiator always questioning his boss's shoot first-ask questions later attitude, always pushing for a peaceful resolution to the dangerous and desperate situations in which the agents find themselves. But in private, Jake is more than Gabriel's boss, he is Gabriel's dominant, and Gabriel is his submissive. In the rigid and structured BDSM relationship Jake has imposed, they've found a passionate haven from the stress of their daily lives. And things are perfect as far as Gabriel is concerned; he thinks he understands exactly what Jake wants. He has eagerly submitted to every demand Jake has made, sure that there is nothing he would not do for his lover, giving freely of himself, body and soul. But tonight is different. Jake may have gone too far. A trip to a secret club, The Subterranean, reveals a world Gabriel never imagined existed, and Jake is demanding more of Gabriel than ever before. Perhaps more than he is willing to give.
